

“Dolls on a Mission” is our new CBC WinGs ministry. We come together and hand make dolls for children and hurting hearts around the globe. We are NOT a toy ministry, it is a Heart ministry. The purpose of these Dolls is to bring Love, Joy, and Peace to children and adults in impoverished nations, shut-ins, the homeless and people around the world who are suffering either from poverty, natural disaster, and various catastrophic circumstances. All of the materials are donated by individuals and organizations.

As the ministry keeps going, God has shown us to include these dolls for children whose parents are public servants; including each branch of the military, police fire and medic. We provide special dolls for children with cancer. We have made some of the sweetest dolls without hair for children who are suffering with cancer. There is NEVER any charge!

The beads worn around the neck of each doll, tells the story of salvation. A card in the child’s language is attached explaining the message of the beads and what each color bead represents in the story of Salvation. These cards are also translated into any language that you request.

Each Doll has 2 sides. The first side is a sad face which represents life with OUT Christ. The second side is a happy face which represents life WITH Christ. Our Dolls always have a little red heart. “What a wonderful way to spread cheer AND the gospel around the world.”

Black = Represents sin. It’s sin that separates us from a Holy God. For all have sinned and fall short of the glory of God. Romans 3:23

Red = Represents Jesus Christ’s shed blood.

White = Represents what Jesus does with our sins. Through Jesus Christ, God made a way for us to find forgiveness from our sins. HE washes them white as snow.

Blue = Represents Christ’s resurrection. When the stone was rolled away from the tomb and the sky turned from gray to blue.

Green = Represents life. When we ask Jesus to come into our hearts to forgive us from our sins and to be our Savior. He changes on the inside and gives us a new life.

Yellow = represents heaven. HE promises us we will spend eternity with HIM in heaven.
